Hello, everyone. I'm going to tell you about our English club.

We have eighteen members in the club now. There are eight boys and ten girls. Mr. Suzuki and Ms. Brown are our teachers.

Our club usually starts at three in the afternoon. We speak only in English. On Tuesdays, we read English books and talk about them. On Thursdays, we use the Internet to talk with some students in other countries. Last Thursday, we talked with students in Australia about Japanese anime.

Next week, Ms. Brown's friend, Ms. King is going to visit our school. We will show her around our school and talk with her. If you are interested in our club, please come to room 201 after school.
