Hello, everyone. Please look at this camera. It's my favorite one. I like taking pictures. Last year, when I visited my grandfather, he gave me this camera. He said it was his important camera because his friend gave it to him many years ago. When he saw the picture of my dog that I took, he loved it so much, and he told me to take many pictures with this camera. I will keep taking many beautiful pictures.

Our town is famous for its festival. Every July, we have a lot of people who come to enjoy the festival. Some are from Japan, and others are from abroad. During the festival, we see a lot of people from other countries and hear different languages. Last year, when I was walking home, I met some foreign people, and I was asked the way to the art museum in English. I tried to tell them how to get there, but it was not easy for me. At that time, I thought it was important to learn English. Thank you.

Question (1): When does Yutaka's town have its festival?

(約 7 秒間休止)

Question (2): Yutaka has learned an important thing. What has he learned?
